Defendant(s).

ORDER

United States District Court
For the Northern District of California

The court recently related the above actions to others filed earlier by plaintiff in this court. The docket sheet reveals that plaintiff has filed a total of seven actions in this district. The court is concerned that plaintiff appears to be raising the same issues and factual disputes that have already been decided in her numerous previous complaints against defendant Dalton and others. Therefore,

IT IS HEREBY ORDERED that plaintiff shall seek leave of this court before she files any additional actions in this District involving any claims related to her employment with the United States Navy or against defendant Dalton or other persons whom she has sued in prior actions in this District.

IT IS FURTHER ORDERED that the Clerk of Court shall not accept for filing without an order of this court any complaints described in the preceding paragraph.
